

Covid -19 Response ReOpening Procedures

DROP OFF & PICK UP:

- Follow the signs in our parking lot to the designated drop off & pick up locations.
 - **Ellisville:** Drop off on the side and pick up in the front parking lot
 - **Chesterfield:** Drop off in front and pick up in back
- Dancers start and end times will be staggered to avoid dancers crossing paths and/or congregating in our lobbies and hallways.
- Please make sure you arrive 10 -15 minutes before your class to allow ample time for our staff to direct your dancers from the drop off areas to class.

ENTRY PRECAUTIONS:

- If your dancer has any symptoms (fever, cough, vomiting, etc...) please do not send them to dance class.
- All dancers will have their temperature scanned upon entry with a contactless thermometer and dancers with a temperature above 100.4 will not be permitted to enter.
- Dancers will be required to sanitize their hands upon entry to and exit from the classrooms.
- Lobbies and offices will be closed to all parents and observers.

DANCER PREP:

- Send dancers with only the necessities to dance class in a gallon sized ziplock bag (dance shoes, keys, wallet, phone)
- Phones should be put away before entering the building and remain there until dancers exit the building
- Send dancers with a labeled water bottle only! Our water fountains and vending machines will remain off during this time!
- Arrive in dance clothes
- Use the restroom prior to studio arrival. Restrooms will be closed except for emergency use. Restrooms will have to be sanitized after each use

CLASS PRECAUTIONS:

- All employees and instructors will be wearing masks
- Dancers will have the option to wear or not wear a mask
- Class sizes are limited. Once the max number of students has registered, class will be closed
- Dance floors have been marked with 6 foot boxes so students can maintain social distancing
- All classes will avoid touching during class time. Teachers will deliver contactless instructions and corrections
- We will only be using props that are able to be sanitized and campers will be using individual craft supplies

CLEANING:

- The studios are undergoing a deep clean prior to opening on 6/15
- We will be intensifying daily and nightly cleaning procedures
- Barres, floors, and high contact surfaces will be sanitized after each class

WE THANK YOU IN ADVANCE FOR UNDERSTANDING AND BEING PATIENT WHILE WE WORK THROUGH THESE NEW PROCEDURES. WE ARE DEDICATED TO CREATING A SAFE & HEALTHY DANCE ENVIRONMENT FOR ALL!
